WCBM Thompson notes

Altgens picture beginning with #1, "I found it at UPI in the bottom of a manila envelope" - Reports Several times it is a UPI picture.

75 - Says Darnell did not say he was in front from of TSBD at time of ass. How does he know? This is but a defense of the govt.

203 - "Quite apparent that the FBI & the Com. Staff knew the picture in the Unsuppressed version" re Altgens picture. But it "was printed in one of the volumes" in a suppressed version - Nine Days

270 - Sen. Weicker's term - Second time - about word of suspect - What Odio was "If Lubbock is right." 540 upset by suppressing

365 - #224 & how knowing front row moved. Answers by saying nothing about how people knew of JFK. assassination. Says he deals with on pp 38-9. Says Newman & Zapruder says he put hands up to face. Says JFK wasn't "just waving" about. Says JFK is not clutching throat - as Thompson first wrote.
